Just a reminder that the envelopes are currently being sent out to everyone that lives in Pasco, Pinellas and Hillsborough Counties, about Medicaid open enrollment. You need to make sure that your doctor takes the insurance plan that you are enrolled in or are enrolling in. You can call your doctors office to find out what plans that your doctor does participate with. Also your case manager should know what plan your doctor takes at this time. Please pay attention to the mail and do not just throw it away. We know that it is stressful and frustrating with trying to find a way to work your plan with your doctors, but it can be done.

Do you need Case management?

If you or someone you know is in need of case management, we are always taking new clients. So please feel free to call us.

Dr. Rodwick

We spoke to Mona at Dr. Rodwick's office. She let us know that his health has not improved and he will not be returning to the practice. Our hearts go out to him, his family and his staff. They have served this community for a very long time and have been a very special part of the community. Their loss will be felt for years to come because they truly are a group of people that it will be very difficult to replace. We will miss them very much and we wish them all the best. We wish nothing but the best for them all.

Referrals

These are the doctors that Mona at Dr. Rodwick's office said that she is referring people to.

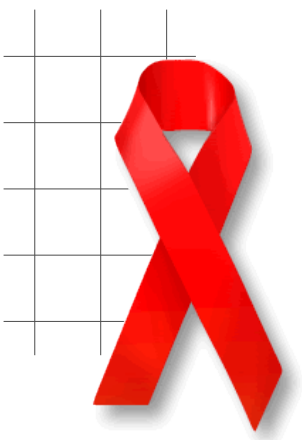

Dr. Benjamin Shaffer 727-799-6255

West Coast Infectious Diseases 727-669-6800

Dr. Khan 813-251-8444

Dr. Cancel 727-725-9931

If you have any questions, please call your case managers.
